

Experiment 11: Online Super Market

Aim

To create a cloud-based Online Super Market application using **Zoho Creator**.

Procedure

1. Log in to Zoho Creator.
2. Create a new application named **Online Super Market**.
3. Create a form named **Customer Orders**.
4. Add the following fields:
 - Customer Name
 - Address
 - Phone Number
 - Email
 - Item Name
 - Item Category
 - Quantity
5. Save the form.
6. Create a report to display customer orders.
7. Enter sample order details and verify that they are displayed correctly.

Output

Customer Order

Customer Name

First Name

Address

Phone Number
