Experiment:8

Experiment 8: Student Counselling System (Zoho Creator)

Aim

To create a cloud-based Student Counselling System using **Zoho Creator**.

Procedure

1. Create a new application named **Student Counselling System**.
2. Create a form named **Student Counselling**.
3. Add fields:
 - Student Name
 - Age
 - Address
 - Phone
 - Subjects Studied
 - Year of Passing
 - Percentage
 - Domain Interest
4. Save the form.
5. Create a report.
6. Enter counselling records.

Input

student counseling system 1

student counseling system

student counseling system

student counseling system Report

student counseling system

student name

First Name

Last Name

age

000000

phone

Number

000000

Address

Address Line 1

Address Line 2

City / District

State / Province

Postal Code

Country

years of passing

000000

percentage of marks

000000

domain interest

Output

student counseling system 1

student counseling system

student counseling system

student counseling system Report
